

Neighbors

In the coming weeks, the TPR Firewise committee will be bringing you brochures from the state of Colorado that will provide information about Mountain Pine Beetles, fire-adapted landscaping practices, and home insurance and wildfire preparedness. We have found these brochures to be full of important and time-relevant information. If you have questions, please feel free to ask at the time or reach out to any of us at a later date.

We will also be asking you to sign-up for an MFD (Monument Fire Department) property assessment. These assessments help with your decision-making concerning forest health and property protection.

Additional information will be provided regarding Peak Alerts (El Paso County) and Monument Community Connect, two emergency programs that are of vital importance to all.

Please visit the TPR HOA – Firewise tab for more information.
